

Adventure Learning Camps

“Where Learning Is Fun”

Lake Estelle Beginner Backpacking September 5th to the 7th

This is a gentle trail and we'll be in no hurry to get to camp - the journey will be an adventure as well as the destination. This is a great way to get into the high country of the Idaho Cabinet Mountains with young children or inexperienced backpackers. We'll have a chance to climb on rocks, swim, and make rock sculptures in the talus slopes as we watch for marmots and pikas. The wildflowers will be spectacular - and we'll try to find time to do some water color painting.

September 5th to the 7th

Level One Trip

Cost: \$120

Ages 5 and up

Difficulty Rating 4 out of 10

Our mission is to foster growth and enhance well-being of children and families through enjoyable, nature-based, active learning experiences. Adventure Learning believes that the foundation of a sustainable society requires children to learn resilience, cooperation, self-confidence, and connection between our everyday lives and the natural world.
