Adventure Learning Scholarship Application

FOR PARENT OF APPLICANT (if applicable)

Scholarships for our trips are provided on a financial need basis. Applicants need to show proof of need, ie. qualify for free or reduced lunch at school. If this does not apply to applicant then parent or applicant will need to show a form of household income.

Please discuss Adventure Learning with your child. It is important to convey the following:

- Adventure Learning is an outdoor learning experience.
- Adventure Learning is a special program that has been invested in by corporate and private donors who are committed to helping underprivileged children achieve their goals and aspirations by making it financially possible to attend. It is a privilege to be selected to participate in an Adventure Learning trip.
- The applicant's commitment to attend is taken seriously. Because we select participants very carefully, we are unable to fill "no shows" at the last minute. Not only does the applicant who is a "no show" miss out on an extraordinary experience, he or she prevents another child who would have been selected instead from attending. Everyone loses when this happens.
